“AN ANCIENT ART... IN A MODERN FORM.”

Never before has stainless steel been engineered to such perfection. Designers & master craftsmen at Neelnox have worked with small components ranging from a few millimeters to large ones as big as a few inches, a myriad of shapes including round, square, rectangular and triangular to produce a range of mesmerizing designs. The flagship design, Z-15X Diamond Cut is studded with authentic Swarovski crystals. The different elements have been brought together using the best design, technology and innovation.
