“THE ART OF ORGANIZING”

Showering is an experience that has no parallel. The Y I SHELF enhances the shower space in a way that ordinary shelves can't. The recessed in wall design ensures that there are no sharp metal protrusions. The availability of sizes ranging from 6 inch widths to 72 inches, gives you the ability to dressup the shower while still preserving ample space for the essentials. The result is an exceptionally organized space that is an aesthetically pleasing as it is functional.
